

PSI HOTEL BLOCK BOOKINGS FOR GENEVA CONGRESS 2017 – as at 2/8/2017

Below is a list of hotels where PSI has block bookings for the Congress, both in Geneva (Switzerland) and in the nearby town of Ferney-Voltaire (France). The block bookings cover the maximum period - **from 28 October to 4 November included** - but shorter stays are of course possible.

Non-sponsored Congress participants: Should make their own reservations directly with the chosen hotel. A credit card will be required for each reservation.

EB/WOC/SOC titulars attending at PSI expense: Hotel accommodation will be organised by PSI. However, any titulars wishing to make their own hotel reservation should inform their Liaison Secretary, noting that the maximum reimbursed is **€125** per person per night (including breakfast and city tax), for the duration of the meetings.

Sponsored participants: Hotel accommodation will be organised by PSI.

Please note the deadlines for reservations at each hotel. After this date, unreserved rooms will be reduced in number or completely cancelled!

Participants making their own reservation are of course, free to book at other hotels in the region and use commercial websites.

Information on budget accommodation in Geneva can be found on: <http://www.mandint.org/en/accommodation-new>.
