9:00 Opening and welcome

9:10 Pending matters regarding the PSI Congress:

- Final composition of IAMREC with representation per sub-regions.
- Proposal of the regional representatives for the EB.
- Proposal of the representation of Young Workers: 4 young workers to the IAMREC and 2 young workers to the EB with their corresponding substitutes.
- Any emergency resolution?

10:10 Proposals regarding the IAMRECON:

- Place: Buenos Aires
- Date: October 2018
- Format: sectorial meetings, transverse meetings and congress. Total: 4 days.
- Participants: approximately 300 people
- Proposal of program:
 - The political part arises from the PSI World Congress with the corresponding updates and regional approach. To address the world plan of action to each sector and to decide on the corresponding developments.
 - The organization aspects demand more reflection, in issues such as the relations between the regional sectorial federations and PSI (CONTUA, CONTRAM, UITOC, CONTAGUA, etc.); approximation and relations of Caribbean, USA and Canada with and to the sectorial work; new sectors or sub-sectors.

10:40 The next IAMREC in 2018: should we carry it out in the first semester as usual? Or should we carry out the IAMREC meeting in the second semester considering that as from 2018 the EB might be held in November as from 2018?
